## INSTALLATIONS

Life systems are a serious business and with the introduction of the Regulatory Reform (Fire Safety) Order 2005 choosing the correct installation company is vital. Accreditations like BAFE and NICEIC are paramount to remove doubt as to who you are using. Astral Fire & Security have all of these accreditations and are therefore your complete solution from design to commissioning.

Leave your compliance issues in **ASTRAL'S** Safe hands!

Our fully trained engineers cover installations on a national basis. From contracts scheduled to be 12 months work, to small upgrades taking just a few hours.

If you require;

- a fully integrated nurse call system,
- PABX phone system,
- networked fire alarm system,
- induction loop,
- Public Address systems,
- Site wide CCTV,
- Gates and barriers,
- access control,
- Full electrical installs and upgrades
- And much more

If you have a problem ASTRAL has a solution.

Astral is proud to have completed its 5th retirement village of 152 apartments and above, also the out of hours installation of life systems to a chain of 600 high street shops, Astral Fire and Security has the manpower and structure to make it happen.

Following the works through from design to commissioning Astral Fire and Security strives to provide seamless integration in to construction/ refurbishment schedules, whilst ensuring 100% compliance and aesthetic appeal.
