Astral

SAFES

Experience the most secure, reliable and user-friendly electronic safes on the market. Our safes combine advanced technology with ease-of-use. Astral is the UK distributor for this market leading product in association with Safeplace.

Our BiMax fingerprint control unit, unique top opening drawer safes, biometric safe, light-up keypad and self-diagnostic trouble-shooting are only part of the products and features that made our range the safe of choice of all the major hotel chains.

- Over 800,000 safes installed in 75 countries
- Worldwide distribution and service network
- Supplier to leading hotels and cruise lines
- Known for the most advanced security features; Bimax biometric control unit, audit integrity and anti tamper motor guard.
- Products conform to international standards
- R&D leads the market for advanced security and user friendly solutions
- Largest variety of safe models and sizes
- Unique space saving solutions like top opening, wall and drawer safes.
